B.2	<p>New Activities.</p> <p>(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?</p> <p>Y N</p> <p><input type="checkbox"/> <input type="checkbox"/> Hope VI or Choice Neighborhoods.</p> <p><input type="checkbox"/> <input type="checkbox"/> Mixed Finance Modernization or Development.</p> <p><input type="checkbox"/> <input type="checkbox"/> Demolition and/or Disposition.</p> <p><input type="checkbox"/> <input type="checkbox"/> Conversion of Public Housing to Tenant Based Assistance.</p> <p><input type="checkbox"/> <input type="checkbox"/> Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD.</p> <p><input type="checkbox"/> <input type="checkbox"/> Project Based Vouchers.</p> <p><input type="checkbox"/> <input type="checkbox"/> Units with Approved Vacancies for Modernization.</p> <p><input type="checkbox"/> <input type="checkbox"/> Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).</p> <p>(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.</p>
B.3	<p>Progress Report.</p> <p>Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.</p> <p>1. Create a budget model that can look out five years and allow for a robust capital and development plan to address maintenance, accessibility, and investment in new assets.</p> <p><u>STATUS:</u> Changes in the economic situation based in the post-pandemic shifting patterns have created more uncertainty in this goal, making a five (5) year plan unrealistic. Dure to four retirements in leadership and the need to train new staff with former staff still present, WHA had a two-year budget. This is a realistic approach to budgeting given that wage requirements needed to retain a workforce remain uncertain.</p>

Planning for wages will be completed in two-year cycles. After a budget is passed, any changes in staffing or pay will be modeled to the next year.

This no longer needs to be a goal but can become practice.

2. Examine the organizational structure to assure expertise exists in critical functions of finance, HR, and policy development, and accounting.

STATUS: The structure has shifted given that expertise in the Housing Choice Voucher program are difficult to recruit, leaving WHA with the need to recruit and train new staff for the needed expertise.

Training is underway, and the structure of the positions, while always somewhat in flux, are reasonable steady and will need to be tweaked rather than radically redesigned.

This is now complete and will fall under normal operations where changes are made within a small parameter as needed.

3. Review and improve systems for communicating with clients with limited English proficiency and those who do not read in English.

STATUS: This remains a challenge though we have made some progress. We have recorded standard robo-calls for two of our most common languages for standard messages that do not change. We have translated material to hand out when time permits. We have hired a staff member who speaks one of the most common languages. We continue to recruit among the communities we serve.

4. Reestablish relationships with private developers, housing providers, and city staff to understand current needs and opportunities and be in a position to help solve the affordable housing shortfall problem.

STATUS: WHA is working with several partners on projects in the City of Winooski – in particular two parcels that will be coming available. We need a partner to assist with developing our own housing. This remains elusive.

This will remain a priority for the next five years.

5. Use project-based vouchers to partner with developers to increase affordable housing availability.

STATUS: We have awarded and are in the process of issuing our first fifteen project-based vouchers. We will evaluate how many additional vouchers are available and release an additional Request for Proposal in the summer.

This will continue to be part of a new goal that will focus on housing retention, which is becoming significantly more critical to preventing homelessness.

6. Identify a succession plan for critical positions and begin training and mentoring current staff to fill those positions where possible.

STATUS: This is complete.

Succession plans will be continually part of managing the agency and will become our regular operating mode rather than a strategic goal.

7. Review and, where necessary, rewrite policies and procedures while implementing needed training and systems to assure compliance.

STATUS: we are making significant progress documenting procedures and updating policies, particularly in Property Management. This is ongoing operational work, and will remain a strategic priority until the Personnel Plan, the Property Management system, the financial management system, and the HCV adoption of HOTMA is complete.

	<p>8. Work with SASH and property management staff to identify and assist individuals who may be a danger to themselves in their current living situation to support moving to a safer environment when necessary.</p> <p>STATUS: Complete</p> <p>9. Update systems that allow remote work and move to a paperless system.</p> <p>STATUS: WHA is well into having the systems needed to manage our office remotely. There are several tools that we are not yet using effectively. This will remain a strategic goal until we have the ability to work remotely during an emergency.</p> <p>10. Update building systems to provide Wi-Fi access, allow staff mobility between buildings, and upgrade alarm and security systems.</p> <p>STATUS: CARES Act funding was used to achieve this objective. Systems like these will always need to be updated. This will now become an operating practice rather than a strategic goal.</p>

D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year and Annual PHA Plan. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low- income families.

Public reporting burden for this information collection is estimated to average 7.02 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
